Brantal Surfacing

for All Your Surfacing Needs

With over 35 years combined experience, you can expect fine precision quality work to suit your outdoor needs, be it on a private residence or commercial premises, we excel.

We ensure that the materials we use are sustainably sourced and we use local natural products whenever possible. We also use recycled products when appropriate and any waste we produce is taken to a reputable licenced waste management site for recycling. We currently work for commercial and private clients alike.

We have also worked for local governments including the Borough of Poole. Our work with our commercial clients has ranged from repairing car parks to providing the ground work and laying foundations in preparation for the installation of electrical equipment.

We are fully insured and have all relevant qualifications to carry out these contracts (CPCS, CSCS, Streetworks Qualification Register, Registered waste carrier) details of these can be obtained upon request.
